*Do your best... Be kind to others...*

NOVEMBER 2023

Dear SPV Alumni,

As I begin my second year as principal of Saint Pius V School, I want to reach out and let you know that even though things change... some things stay the same. Tradition is alive and well at Saint Pius V School. It is with great pleasure that I get to experience the many SPV special traditions, school pride and feeling of belonging each day! These attributes and charisms that make Saint Pius V School so special began long ago with the Sisters of Saint Joseph, and they continue to inspire and affect positive change in the lives of our current students and their families.

I invite you to come back to your school and see all of the wonderful things that are happening and take a walk down memory lane to visit classrooms or teachers. We would love to see you and build bridges between our Saint Pius V School generations. Call or email me. I would love to hear from you.

Blessings,

Mrs. Mary Beth Noe, Principal

## A Tradition of Excellence

**We are excited to welcome the next generation  
of Saint Pius V scholars!**

On Sunday, November 19th from 12:30-2:00 p.m., prospective families are invited to visit our school during our New Family Open House.

Come learn more about the exciting things happening in PreK through 8th grade at St. Pius V School in 2023, and about the quality education we have continued to provide since our beginnings in 1945.

Please feel free to also join us at the 11:30 mass at St. Pius V Church prior to the Open House.

# Honoring Our Veterans

**On Veterans Day, we honor and pray for all those who have served our country.**

This Thursday, November 9th, our school will gather in the church to honor our veterans with song, readings, and prayer. We continue our long-standing tradition of all classes contributing their art and writing to our Veterans Day display.

Many of our Saint Pius V School alumni have served or are currently serving in the U.S. military. One such alumnus is Roland Regan Jr., who graduated Saint Pius V School in '65. Regan served nearly 5 years as a U.S. Air Force officer with NATO-AWACS Program and was honorably discharged as a Captain in 1983.

In addition to his own service, Regan's father was also a U.S. veteran, serving in World War II. Inspired by the photographs of his father's time in service, Regan co-authored the book [From Boston to Berlin: A Journey Through World War II in Images and Words](http://bostontoberlin.org) ([bostontoberlin.org](http://bostontoberlin.org)). The book documents his father's, along with co-author Christopher Mauriello's father's, experiences in World War II through Mauriello's letters and Regan's uncensored original photographs.

Regan, who also wrote another book on Sports Marketing based on his twelve years of management consulting in the field, was an adjunct professor at Harvard University, Bentley University, Boston University, Salem State University, Suffolk University, and University of Vermont, teaching a variety of international marketing, business law, and the business of sport courses. Regan served 18 years as president and CEO of the National Childhood Obesity Foundation, Inc. (N.C.O.F.) in Marblehead, Massachusetts.

**To Roland Regan and to all our alumni, friends, and benefactors who have served our nation - THANK YOU!**
