Bridging Generations

NEWSLETTER FOR FRIENDS AND ALUMNI OF ST. PIUS V SCHOOL

A Sign of Our Pride

Greetings,

For over 80 years Saint Pius V School has been welcoming students as they walk through our doors ready to learn, grow, and build their futures. Our parish and school are the heart of this neighborhood, and **we want the Maple Street entrance to reflect the pride, energy, and warmth of our entire SPV community**.

Not having a proper sign on Maple Street has made it difficult for families, visitors, and emergency services to easily locate our campus. To change this, we are launching a campaign to install a **brand-new, durable, visible LED parish and school sign**, with weather-resistant lettering, a brick surround and landscaping. Not only will this beautiful sign help define our campus, it will also inform our community about upcoming news and events.

The total cost for the new electronic sign and installation is $62,000. We have already raised $40,000 leaving us with a **remaining goal of $22,000** to bring this project to completion. Installation is planned for spring 2027.

Would you consider making a tax-deductible gift—of any amount that feels right for you—to help us cross the finish line? You can make your contribution by:

- Visiting our online giving page at www.stpiusvschool.org/support-spv
- Mailing a check payable to Saint Pius V School at 28 Bowler Street, Lynn, MA 01904
- Calling us at 781-593-8292

Thank you so much for considering this request and for your continued support of our students and staff. With your help, every person who drives or walks by our parish and school will immediately see the vibrant community we love and share.

With gratitude,

Mrs. Mary Beth Noe', Principal
