

ST. PIUS V SCHOOL, LYNN, MA
BULLYING PREVENTION AND INTERVENTION PLAN DECEMBER 2010

I. Introduction.

St. Pius V School (the “School”) acknowledges that its purpose for existence is rooted in the mission of the Church. In fulfilling its role within the educational mission of the Church, the School must share and live out, through Catholic Christian tradition, the message of Jesus Christ and be committed to providing an integrated Catholic educational environment that permeates all aspects of its daily life and operations. Each child must be challenged to reach his/her full potential by fostering in each child a love of learning and by providing an environment that also fosters respect and understanding of one another. In this regard, it is essential that a safe, positive and productive educational environment be established where students can attain the highest academic achievement and where no student shall be subjected to Bullying, Cyber-Bullying or Retaliation. Bullying, Cyber-Bullying or Retaliation or other similar disruptive or violent behaviors constitute conduct that disrupts both a student’s ability to learn and the School’s ability to educate its students in a safe and embracing environment. The School’s Staff is expected to demand that all students behave appropriately and treat others with civility and respect. Bullying, Cyber-Bullying and Retaliation are not to be tolerated.

Accordingly, the School hereby promulgates this Bullying Prevention and Intervention Plan (the “Plan”) as required by the Archdiocese of Boston Bullying Prevention Policy (the “RCAB Bullying Prevention Policy”).

 - creates a Hostile Environment at School for the Target;
 - infringes on the rights of the Target at the School; or
 - materially and substantially disrupts the education process or the orderly operation of the School.
- By way of example only, Bullying may involve, but is not limited to:

III. Leadership.

Leadership at all levels of the School community has played a critical role in developing and implementing this Plan in the context of other School and community efforts to promote a positive School climate. The Plan has been developed in consultation with the Pastoral Staff, School Advisory Board, administrators, school staff, local law enforcement agencies, students, parents, and guardians. Notice and a public comment period by families of students currently attending the School will be provided before February 1, 2011 when the School will adopt the Plan. We all have a primary role in teaching students to be civil to one another and promoting understanding of and respect for diversity and difference. The Principal and designated members of the Staff, working under the oversight of the Pastoral Staff, School Advisory Board are collectively responsible for setting priorities and for staying up-to-date with current research on ways to prevent and effectively respond to Bullying. It is also the responsibility of the Principal and such designees to involve representatives from the greater School and local community in developing, implementing and periodically reviewing the Plan.

- A. Assessing needs and resources. The Plan is intended to be the School's blueprint for enhancing capacity to prevent and respond to issues of Bullying within the context of other healthy School climate initiatives. As part of the planning process, School leaders, with input from families and the staff, have assessed the adequacy of current programs; reviewed current policies and procedures; reviewed available data on Bullying and behavioral incidents; and assessed available resources including curricula, training programs, and behavioral health services. This “mapping” process has assisted the School in identifying resource gaps and the most significant areas of need. Based on these findings, the School has revised or developed policies and procedures; and will establish partnerships with community agencies, including law enforcement and set priorities.
- B. Planning and oversight.
- a. The School faculty, staff and administrators are charged with the responsibility of receiving any allegation of Bullying. In all cases, any staff member who receives a report of Bullying is responsible to report it in a timely manner to the administration.
 - b. The administration, with assistance from the School Advisory Board, will collect and analyze building and/or school-wide data assess the present problem and to measure improved outcomes
 - c. The administration will be solely responsible for maintaining the process for reporting and tracking incident reports. In addition, the administration will create a process for accessing information related to Targets and Aggressors.
 - d. The administration will continue to provide professional development and identify lead teachers and other staff members who will periodically meet with the administration in order to monitor the effects of professional development and assess future needs.
 - e. The administration and School Advisory Board supports the utilization of the current subcontract with *New Beginnings Counseling Services* and all other available resources from the community to provide services in response to the needs of Targets and Aggressors. As part of the School's disciplinary response to Bullying, such services may be required.
 - f. Faculty, administration and parents will collaborate to provide ongoing Bullying Prevention curricula assessment and implementation. Programs currently in use include *Stop Bullying Before It Starts*, *Steps to Respect*, *Second Step*, teacher-made case studies.

ST. PIUS V SCHOOL, LYNN, MA

- g. The administration and School Advisory Board will continue to revise current policies as outlined in this Plan. The School's Internet Safety Policy is reviewed annually. The administration, in collaboration with the School Advisory Board and designated faculty members, is responsible for the implementation of these policies.
- h. The administration, in collaboration with the School Advisory Board, is responsible for amending student and Staff handbooks and codes of conduct.
- i. The administration, in collaboration with the faculty, School Advisory Board, and PTO, will lead parents and families to engagement through parent meetings and additional informational materials.
- j. The administration will review and update the Plan annually after consultation with the faculty, School Advisory Board, PTO, students, general parent population, Catholic School Office, and area principals.

C. Priorities.

The School expects that all members of the School community will treat each other in a civil manner and with respect for differences.

The School is committed to providing all students with a safe learning environment that is free from Bullying. This commitment is an integral part of our comprehensive efforts to promote learning, and to prevent and eliminate all forms of Bullying and other harmful and disruptive behavior that can impede the learning process.

The School will take specific steps to create a safe, supportive environment for vulnerable populations in the School community, and provide all students with the skills, knowledge, and strategies to prevent or respond to Bullying.

We will not tolerate any unlawful or disruptive behavior, including any form of Bullying or Retaliation, in our School, on School Grounds, or in School-related activities. We will investigate promptly all reports and complaints of Bullying and Retaliation and take prompt action to end that behavior and restore the Target's sense of safety. We will support this commitment in all aspects of our School community, including curricula, instructional programs, Staff development, extracurricular activities, and parent or guardian involvement.

This Plan is a comprehensive approach to addressing Bullying, and the School is committed to working with students, Staff, families, law enforcement agencies, and the community to prevent issues of violence. In consultation with these constituencies, we have established this Plan for preventing, intervening, and responding to incidents of Bullying and Retaliation. The Principal, working under the oversight of the Pastoral Staff is responsible for the implementation and oversight of the Plan.

Retaliation against any person who reports Bullying or Retaliation, provides information during an investigation of Bullying or Retaliation, or witnesses or has reliable information about Bullying or Retaliation is also prohibited.

V. Training and Professional Development.

Annual Staff Training on the Plan. Annual training on the Plan for all School Staff, and, in the discretion of the Principal, volunteers who have significant contact with students, will include Staff duties under the Plan, an overview of the steps that the Principal or his or her designee will follow upon receipt of a report of Bullying or Retaliation, and an overview of any Bullying prevention curricula to be offered at the School. Staff members hired after the start of the School year are required to participate in School-based training when offered by the School.

- A. Written Notice to Staff. At the beginning of each School year, the Principal or his or her designee shall provide written notice to the School Staff of the RCAB Policy and the Plan. - B. On-going Professional Development. The goal of professional development is to establish a common understanding of tools necessary for Staff to create a School climate that promotes safety, civil communication, and respect for differences. Professional development will build the skills of Staff members to prevent, identify, and respond to Bullying. Professional development may be informed by research and may include information on:
- developmentally (or age-) appropriate strategies to prevent Bullying;

- information on the incidence and nature of Cyber-Bullying; and
- Internet safety issues as they relate to Cyber-Bullying.

Professional development will also address ways to prevent and respond to Bullying or Retaliation for students with disabilities that must be considered when developing students' Individualized Education Programs (IEPs). This will include a particular focus on the needs of students with autism or students whose disability affects social skills development.

Additional areas identified by the School for professional development include:

- promoting and modeling the use of respectful language;
- fostering an understanding of and respect for diversity and difference;
- building relationships and communicating with families;
- constructively managing classroom behaviors;
- using positive behavioral intervention strategies;

VI. Access to Resources and Services.

- A. Identifying resources Beginning January 2011 through June 2011 the Planning and Policy subcommittee will review the existing and needed resources for targets, aggressors, and their families with input from faculty, administration, and parents.
- B. Counseling and other services. St. Pius V School will employ the services of New Beginnings Counseling Services as the primary resource for intervention when it is identified on a student's behavior intervention plan. As a normal course of action, a student who is involved in Bullying will be required on his/her intervention plan to undergo counseling services as well as participate in any other initiatives or programs for education as stipulated on the intervention plan.
- C. Students with disabilities. The Coordinator for Support Services in collaboration with the Principal, New Beginnings Counseling Services, and LEA will consider what reasonable accommodations should be undertaken with a view toward developing the student's skills and proficiencies so as to avoid and respond to Bullying.
- D. Referral to outside services. The Coordinator for Support Services in collaboration with the Principal, New Beginnings Counseling Services, School crisis management team and LEA will assess and revise the current protocols for referrals in context with this Plan by June 2011. Clear protocols will help students and families access appropriate and timely services. Referrals must comply with relevant laws and policies. Current local referral protocols should be evaluated to assess their relevance to the Plan, and revised as needed.

VII. Policies and Procedures for Reporting and Responding to Bullying and Retaliation.

- A. Reporting Bullying or Retaliation. Reports of Bullying or Retaliation may be made by Staff, students, parents or guardians, or others, and may be oral or written. Oral reports made by or to a Staff member shall be recorded in writing. A School Staff member is required to report immediately to the Principal or designee any instance of Bullying or Retaliation the Staff member becomes aware of or witnesses. Reports made by students, parents or guardians, or other individuals who are not School Staff members, may be made anonymously. The School will make a variety of reporting resources available to the School community including, but not limited to, an Incident Reporting Form (a copy of which is attached to this Plan as **Exhibit A**), a voicemail box, and a dedicated mailing address.

Use of an Incident Reporting Form is not required as a condition of making a report. The School will: 1) include a copy of the Incident Reporting Form in the beginning of the year packets for students and parents or guardians; 2) make it available in the School's main office, the School nurse's office, and other locations determined by the Principal or designee; and 3) post it on the School's website. The Incident Reporting Form will be made available in the most prevalent language(s) of origin of students and parents or guardians.

ST. PIUS V SCHOOL, LYNN, MA
BULLYING REVENTION AND INTERVENTION PLAN DECEMBER 2010

At the beginning of each School year, the School will provide the School community, including administrators, Staff, students, and parents or guardians, with written notice of its policies for reporting acts of Bullying and Retaliation. A description of the reporting procedures and resources, including the name and contact information of the Principal or designee, will be incorporated in student and Staff handbooks, on the School website, and in information about the Plan that is made available to parents or guardians.

1. Reporting by Staff

A Staff member will report immediately to the Principal or designee when he/she witnesses or becomes aware of conduct that may be Bullying or Retaliation. The requirement to report to the Principal or designee does not limit the authority of the Staff member to respond to behavioral or disciplinary incidents consistent with School policies and procedures for behavior management and discipline.

2. Reporting by Students, Parents or Guardians, and Others

The School expects students, parents or guardians, and others who witness or become aware of an instance of Bullying or Retaliation involving a student to report it to the Principal or designee. Reports may be made anonymously, but no disciplinary action will be taken against an alleged Aggressor solely on the basis of an anonymous report. Students, parents or guardians, and others may request assistance from a Staff member to complete a written report. Students will be provided practical, safe, private and age-appropriate ways to report and discuss an incident of Bullying with a Staff member, or with the Principal or designee.

B. Responding to a report of Bullying or Retaliation.

1. Safety

Before fully investigating the allegations of Bullying or Retaliation, the Principal or designee will take steps to assess the need to restore a sense of safety to the alleged Target and/or to protect the alleged Target from possible further incidents. Responses to promote safety may include, but not be limited to, creating a personal safety plan; pre-determining seating arrangements for the Target and/or the Aggressor in the classroom, at lunch, or on the bus; identifying a Staff member who will act as a “safe person” for the Target; and altering the Aggressor’s schedule and access to the Target. The Principal or designee will take additional steps to promote safety during the course of and after the investigation, as necessary.

The Principal or designee will implement appropriate strategies for protecting from Bullying or Retaliation a student who has reported Bullying or Retaliation, a student who has witnessed Bullying or Retaliation, a student who provides information during an investigation, or a student who has reliable information about a reported act of Bullying or Retaliation. The Principal or designee will read the following statement to any person or persons who reports an incident of Bullying or Retaliation: Thank you for reporting this incident to us. The School will investigate this report and take action as required according to our established policies and procedures according to the findings of the investigation. The School recommends that you discuss this incident only with your parents,

ST. PIUS V SCHOOL, LYNN, MA
BULLYING REVENTION AND INTERVENTION PLAN DECEMBER 2010

school officials or other adults in authority. The School requests that you report immediately any incident or concern that you may have for your own safety regarding this report. The School will not use your name in its investigation of this incident unless you have given us permission to do so. Please assist the School by reporting any additional concerns about this or any other incident, especially if you feel in any way unsafe. Because you have reported that this incident has impacted you personally, the School is required to contact your parents to discuss this incident with them.

2. Obligations to Notify Others

- a. Notice to parents or guardians. Upon determining that Bullying or Retaliation has occurred, the Principal or designee will promptly notify the parents or guardians of the Target and the Aggressor of this, and of the procedures for responding to it. There may be circumstances in which the Principal or designee contacts parents or guardians prior to any investigation. Notice will be consistent with state regulations at 603 CMR 49.00.
- b. Notice to Another School. If the reported incident involves students from more than one School district, charter School, non-public School, approved private special education day or residential School, or collaborative School, the Principal or designee first informed of the incident will promptly notify by telephone the Principal or designee of the other School(s) of the incident so that each School may take appropriate action. All communications will be in accordance with state and federal privacy laws and regulations, and 603 CMR 49.00.
- c. Notice to Law Enforcement. At any point after receiving a report of Bullying or Retaliation, including after an investigation, if the Principal or designee has a reasonable basis to believe that criminal charges may be pursued against the Aggressor, the Principal will notify the local law enforcement agency. Notice will be consistent with the requirements of 603 CMR 49.00 and locally established agreements with the local law enforcement agency. Also, if an incident occurs on School grounds and involves a former student under the age of 21 who is no longer enrolled in School, the Principal or designee shall contact the local law enforcement agency if he or she has a reasonable basis to believe that criminal charges may be pursued against the Aggressor.

In making this determination, the Principal will, consistent with the Plan and with applicable School policies and procedures, consult with the School resource officer, if any, and other individuals the Principal or designee deems appropriate (including, but not limited to, the Office of the General Counsel of the Archdiocese).

- C. Investigation. The Principal or designee will investigate promptly all reports of Bullying or Retaliation and, in doing so, will consider all available information known, including the nature of the allegation(s) and the ages of the students involved.

During the investigation the Principal or designee will, among other things, interview students, Staff, witnesses, parents or guardians, and others as necessary. The Principal or designee (or whoever is conducting the investigation) will remind the alleged Aggressor, Target, and witnesses that Retaliation is strictly prohibited and will result in disciplinary action.

ST. PIUS V SCHOOL, LYNN, MA
BULLYING REVENTION AND INTERVENTION PLAN DECEMBER 2010

Interviews may be conducted by the Principal or designee, other Staff members as determined by the Principal or designee, to the extent practicable, and given his/her obligation to investigate and address the matter, the Principal or designee will maintain confidentiality during the investigative process. The Principal or designee will maintain a written record of the investigation.

Procedures for investigating reports of Bullying and Retaliation will be consistent with School policies and procedures for investigations. If necessary, the Principal or designee will consult with the Office of the General Counsel of the Archdiocese about the investigation.

- D. Determinations. The Principal or designee will make a determination based upon all of the facts and circumstances. If, after investigation, Bullying or Retaliation is substantiated, the Principal or designee will take steps reasonably calculated to prevent recurrence and to ensure that the Target is not restricted in participating in School or in benefiting from School activities. The Principal or designee will: 1) determine what remedial action is required, if any, and 2) determine what responsive actions and/or disciplinary action is necessary.

Depending upon the circumstances, the Principal or designee may choose to consult with the students' teacher(s), and the Target's or Aggressor's parents or guardians, to identify any underlying social or emotional issue(s) that may have contributed to the Bullying behavior and to assess the level of need for additional social skills development.

The Principal or designee will promptly notify the parents or guardians of the Target and the Aggressor about the results of the investigation and, if Bullying or Retaliation is found, what action is being taken to prevent further acts of Bullying or Retaliation. All notice to parents must comply with applicable Massachusetts and federal privacy laws and regulations. Because of the legal requirements regarding the confidentiality of student records, the Principal or designee cannot report specific information to the Target's parent or guardian about the disciplinary action taken unless it involves a "stay away" order or other directive that the Target must be aware of in order to report violations.

BULLYING REVENTION AND INTERVENTION PLAN DECEMBER 2010

E. Responses to Bullying

1. Teaching Appropriate Behavior Through Skills-building

Upon the Principal or designee determining that Bullying or Retaliation has occurred, the law requires that the School use a range of responses that balance the need for accountability with the need to teach appropriate behavior. Mass. Gen. Laws. Ch. 71, Section 37O (d)(v). Skill-building approaches that the Principal or designee may consider include:

- offering individualized skill-building sessions based on the School's anti-Bullying curricula;
- providing relevant educational activities for individual students or groups of students, in consultation with guidance counselors and other appropriate School personnel;
- implementing a range of academic and nonacademic positive behavioral supports to help students understand pro-social ways to achieve their goals;
- meeting with parents and guardians to engage parental support and to reinforce the anti-Bullying curricula and social skills building activities at home;
- adopting behavioral plans to include a focus on developing specific social skills; and
- making a referral for evaluation.

2. Taking Disciplinary Action

If the Principal or designee decides that disciplinary action is appropriate, the disciplinary action will be determined on the basis of facts found by the Principal or designee, including the nature of the conduct, the age of the student(s) involved, and the need to balance accountability with the teaching of appropriate behavior. Discipline will be consistent with the Plan and with the School's code of conduct.

Discipline procedures for students with disabilities may be governed by the federal Individuals with Disabilities Education Improvement Act (IDEA), which should be read in cooperation with Massachusetts laws regarding student discipline.

If the Principal or designee determines that a student knowingly made a false allegation of Bullying or Retaliation, that student may be subject to disciplinary action.

3. Promoting Safety for the Target and Others

The Principal or designee will consider what adjustments, if any, are needed in the School environment to enhance the Target's sense of safety and that of others as well. One strategy that the Principal or designee may use is to increase adult supervision at transition times and in locations where Bullying is known to have occurred or is likely to occur.

Within a reasonable period of time following the determination and the ordering of remedial and/or disciplinary action, the Principal or designee will contact the Target to determine whether there has been a recurrence of the prohibited conduct and whether additional supportive measures are needed. If so, the Principal or designee will work with appropriate School Staff to implement them immediately.

ST. PIUS V SCHOOL, LYNN, MA
BULLYING REVENTION AND INTERVENTION PLAN DECEMBER 2010

VIII. Collaboration with Families.

- A. Parent education and resources. The School will offer education programs for parents and guardians that are focused on the parental components of the anti-Bullying curricula and any social competency curricula used by the School. The programs will be offered in collaboration with the LEA, *New Beginnings Counseling*, or similar organizations.

- B. Notification requirements. Each year the School will inform parents or guardians of enrolled students about the anti-Bullying curricula that are being used. This notice will include information about the dynamics of Bullying, including Cyber-Bullying and online safety. The School will send parents written notice each year about the student-related sections of the Plan and the School's Internet safety policy. All notices and information made available to parents or guardians will be in hard copy and electronic formats, and will be available in the language(s) most prevalent among parents or guardians. The School will post the Plan and related information on its website.

IX. Relationship to Other Laws.

Consistent with Massachusetts and federal laws, and the policies of the School, nothing in the Plan prevents the School from taking action to remediate discrimination or harassment based on a person's membership in a legally protected category under local, Massachusetts, or federal law, or School policies.

In addition, nothing in the Plan is designed or intended to limit the authority of the School to take disciplinary action or other action under Mass. Gen. Laws. Ch. 71, Section 37O (d)(v), other applicable laws, or local School policies in response to violent, harmful, or disruptive behavior, regardless of whether the Plan covers the behavior.
